Dear Sir/ Madam,

LETTER OF SATISFACTION/ RECOMMENDATION

This is to formally confirm that I engaged the service of Liat Décor Nigeria Ltd to work on the suspended ceiling of my new office at Ikota Shopping Complex, by VGC, Lekki-Lagos.

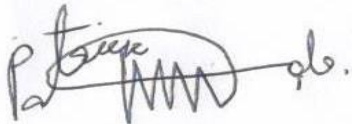

I was so surprised that with just a short notice, they came over to do a very perfect job. They told us they will finish in about 2 hours, which of course I doubted, but to my utmost surprise, they were through even before 2 hours.

The job is very neat, highly professional, and most importantly, at a very affordable price!

I hereby recommend them to everyone that wants to enjoy the timely and professional service that I did. I already promised them that I have many other job for them because they have really impressed me.

Thank you so much.

Very truly yours,
